

KINGSVILLE COMPETITIONS (25th Year)

BOWED INSTRUMENT COMPETITIONS 2006

WINNERS

The competitions are divided into two major divisions: *Junior* and *Senior*. Each division offers two separate contests: one for *non*-orchestral repertoire (chamber sonata movement, unaccompanied Bach movement, and short showpiece) and one for a complete composition with orchestral accompaniment (concerto, long tone poem, or set of variations). First, second and third place awards are given in each contest. The top two winners from the junior and the senior division orchestral accompaniment category then compete for one grand performance award with orchestra, and the other final competitors are ranked.
